Description: The Beronia Reserva shows a deep cherry red colour with a granite rim. On the nose there's complex aromas of black fruits, above all blackberry. On the palate you'll find spices like cinnamon followed by smooth, sweet and rounded tannins, and a good balance between fruit and oak. Fresh, structured and complex with a long aftertaste and notes of cedar on the finish - this is classic Rioja and a great staff favourite!

Other Info:

Bodegas Beronia is quintessentially Rioja. Its wines are defined by the region and the soils in which the vines are grown, and its name linked to the history of the land where the winery is found. In the 3rd Century BC the area known as Rioja today was inhabited by a celtic tribe called the 'Berones'. They inhabited the towns of Tricio, Varea and Leiva, marking the limits of the Berones region, today La Rioja. The founding ethos of Beronia is strongly allied to the origins of La Rioja.
