Other Info: Hennessy was founded in 1765 by an Irish aristocrat named Richard Hennessy. Today the company sells over 50 million bottles a year all over the world. The range consists of the V.S, V.S.O.P, Privilege, X.O, Paradis and Richard, rated as both iconic and benchmarks of excellence. The success of Hennessy can be contributed too huge reserves of eaux-de-vie, dating as far back as the brand itself. The versatility of Hennessy cognacs makes it very attractive as either a cocktail base spirit or straight in a Balloon.
