Press	The Fiano is from Sicily and has a smooth peachy, apricot taste with a refreshing lemony lift. It was beautiful with my lemon and garlic chicken at the weekend. Marcia Waters MW, OWC Head Buyer.

Other Info:	The Miopasso range is the brainchild of The Wine People, a company headed by Stefano Girelli of Casa Girelli fame. The Wine People's winemaker, Andrea Valentinuzzi, has created a brand which showcases modern Italian winemaking using local grapes. Different vineyards in both Sicily and Puglia have been handpicked for their quality and characteristics which best suit specific indigenous grape varieties. Sicily and Puglia can produce wines of great quality and exceptional value - the warm climates of both lead to full bodied wines with great fruit and

richness. These wines have both quality and great approachability!
