<b>Other Info:</b>	Terras de Alter is made up of two of Portugal s most experienced agricultural firms and Pink Living, a company belonging to well known oenologist Peter Bright. A native Aussie, Peter has an extensive CV in the field of production and international marketing of wine. Terras de

Alter's aim is to introduce premium quality Alentejo wine into the international market. The vineyards cover extensive plains and gentle hills always providing intense exposure to sunlight. It is this amount of sunlight that is the key to producing the intense concentration of flavour that these wines display.
