

Chesterton Humberts wine tasting evening

The Tetbury office of Chesterton Humberts launched their campaign to help raise funds for the Friends of Tetbury Hospital with a wine tasting evening in the function room of the historical Market Hall.

Clients, staff, friends and family were joined by supporters of the Friends of Tetbury Hospital to enjoy a very entertaining insight into the world of wine tasting by Jackie Wheels from The Oxford Wine Company. A welcoming splash of fizz set the tone for the night, followed by white and red wines, accompanied by tasty cheeses, fruit and fresh bread donated by Hobbs Bakery, Tetbury.
