**Description:**

No wine evokes luxury quite like Champagne. Synonymous with celebration, it marks the important moments in our lives. But the best Champagnes are complex and compelling - and fully deserve being the stars of the show themselves. In the first of a series of very special tastings, we are opening some of the best bottles in our cellars, and offering you the chance to taste some true greats of the wine world.

We have carefully selected six Champagnes for the evening, spanning a range of styles, vintages, grape varieties and producers. They are as follows:

- Joseph Perrier Brut Nature Blanc des Noirs 2010
- J. de Telmont Brut 2006
- Gosset Millesime 2012
- Pol Roger Blanc de Blancs 2012
- Dom Pérignon 2008
- Krug Grande Cuvée

The tasting will be presented by OWC's Emily Silva. Currently studying for the notoriously difficult Master of Wine course, Emily's sharp tasting skills and detailed knowledge make her the perfect guide through these finest of Champagnes.

We hope you'll join us for what promises to be a very special tasting!
