Other Info: Aperol originated in 1919 in Padova, it was a product of the Barbieri

Brothers who launched the revolutionary idea of an aperitif with an alcohol content of only 11 percent. From then until today the popularity of Aperol has grown continuously, thanks to its fresh and versatile taste and its capacity to be mixed with so many other drinks. Purchased in the 90s by Barbero 1891, Aperol then entered Gruppo Campari's portfolio, reaching new records of popularity and diffusion.
