Other Info:	The distillery Speyside s smallest - is located on the outskirts of the ancient market town of Forres, in north-east Scotland. Just two experienced distillers passionately hand-craft Benromach using the finest Scottish barley and the purest spring water from the nearby Romach Hills. They personally ensure that only the highest quality spirit is filled into sturdy oak casks before being left to mature at Benromach for many years. Only when it has matured to our highest quality

standards do we bottle it and proudly label it Benromach Speyside
Single Malt Scotch Whisky.
