Press	'The diminutive Château la Fortune is part of a portfolio overseen by the Helfrich family. The consultant Michel Rolland has a close eye on the style, which is rich and complex, with layers of blackcurrant, cocoa and licorice. Lay it down or decant promptly and enjoy with a roast.' - Will Lyons, The Sunday Times

Other Info:	Located on a superb, exceptional terroir, with hilltops of ancient gravel from the Pyrenees and Garonne, Château la Fortune has great character and elegance. The little parcel of 3 hectares is situated between Château Lascombes and Château Labégorce. Having developed expertise and gained experience on many other properties, the Helfrich family, who have managed Château la Fortune since 2014, have applied a highly
