Other Info:	The property is located at La Clape - a coastal sub-zone of the Languedoc region that gets its name from the Occitan term clapas, meaning 'pile of stone'. It really is as close to the sea as its château name suggests: the Boscarys' 50ha of stunning, untamed vineyards, interspersed with trees and wild flowers, are on the cliffs of the striking Massif de la Clape, facing south out towards the sea.
