<b>Press</b>	"Deutz rosé is mostly Pinot Noir from the Montagne de Reims, with a touch of Chardonnay. It has a very delicate and attractive peachy-pink colour, the nose creamy with small red berry fruits but a certain biscuity note too, not always found in pink Champagnes. In the mouth it is vibrantly packed with redcurrant, raspberry and crisply defined dry red fruits, but it is ripe and sweet-edged too, the delicate mousse and fine acidity balancing beautifully. With a touch of chocolate or coffee adding roundness, the finish is quite intense, but never losing that elegance and delicacy. '91 points" - Tom Cannavan, The Buyer.
<b>Awards</b>	Gold Award - Champagne and Sparkling Wine World Championships.
