Fifty Pounds London Dry Gin

£42.95

Vintage:

Bottle Size: 70cl

Alcohol %: 43.50%

Country: England

Description: A crisp, clean, classic London dry nose. Slightly earthy with a lovely complexity of juniper and lime peel with an almost minty freshness and a pleasant balancing sweetness. The palate is soft and slightly lactose in character with juniper, lemon/lime. A short but intense burst of alcohol follows with the more herbal botanicals evident on the finish.

Other Info: A very handsomely-presented London gin, made by Thames Distillers. Thankfully the product lives up to the stylish packaging - this is excellent stuff.
