**Other Info:**

Floc de Gascogne was elaborated from a Gascon recipe dating as far back as the sixteenth century and has always been well protected by ancient peasant traditions over the years. Floc de Gascogne, ("Lou Floc" meaning bouquet of flowers in Occitan) has today become a blend between know-how and tradition. Its sweet, enchanting and sensual taste comes from the subtle blending of fresh grape juice with the vigour of young Armagnacs coming from local farms.
