

Footprint Merlot, Western Cape

£8.99

Vintage: 2018

Bottle Size: 75cl

Alcohol %: 14%

Country: South Africa

Description: Deep, ruby red color. Opulent nose of mulberries with a touch of mint. The palate is rich and juicy with notes of mulberry, raspberry and plums. A hint of dark chocolate gives the wine added complexity with soft tannins for structure.

Cepages: Merlot

Group: South Africa

Sub group: Western Cape

Colour: Red

Closure: Screwcap

Other Info: The Footprint range are made by African Pride Wines who were born in 2002 out of the idea to create a range of wines that offers great value and character, whilst remaining true to South African style and terroir. We regard our colleagues as family and we have been working together for up to 16 years; in this period we have expanded our global footprint and our wine is widely available in more than 30 countries worldwide.
