Other Info:

Glengoyne Distillery is a whisky distillery continuously in operation since its founding in 1833 at Dumgoyne, north of Glasgow, Scotland. Glengoyne is unique in producing Highland single malt whisky matured in the Lowlands. Located upon the Highland Line, the division between the Highlands and Lowlands of Scotland, Glengoyne's stills are in the Highlands while maturing casks of whisky rest across the road in the Lowlands. Unlike many malt whisky distilleries, Glengoyne does not use peat smoke to dry their barley, but instead uses warm air.
