Griffiths Brothers Original Gin

£38.00

Vintage:

Bottle Size: 70cl

Alcohol %: 43.50%

Country: England

Description: Cold distillation ensures the flavours from the botanicals are not stewed from over heating, this means the zest from the citrus fruits come across fresh and light, as do the floral notes from the elderflower and orange blossom, with plenty of concentration of the bay laurel and Grains of Paradise.

Other Info: What started out as a challenge between two brothers developed into a real passion: to produce top quality, hand-crafted spirits. From their base in the Chiltern Hills, the Griffiths Brothers use modern distilling techniques, local produce and the freshest botanicals possible for their small-batch spirits.
