

Introduction to Chile

£73.00

Vintage:

Bottle Size:

Alcohol %: %

Country:

Description:

Protected from many of the pests and diseases that plague other regions by the Atacama Desert, Andes and the Pacific Ocean, Chile represents a real viticultural haven. What's more, the value for money represented by Chilean wines is absolutely stunning. We've included six of our favourites in this case - and we're sure that after tasting them, they'll be favourites of yours too!
