**Description:**

Pinot Noir reaches its apogee in Burgundy. A grape variety that expresses terroir better than almost any other, the sheer elegance and complexity of Burgundian Pinot Noir leaves wine lovers around the world speechless. Of course, when the wines can be so different from vineyard-to-vineyard, a case of six bottles will only scratch the surface of the scope of Red Burgundy, but we've had a go! We're sure you'll enjoy tasting through them.
