Introduction to South Africa

£90.00

Vintage:

Bottle Size:

Alcohol %: %

Country:

Description:

A renaissance is happening in South Africa. The efforts of a group of innovative, quality-focused producers, an emphasis on matching grape variety to terroir, and an impressive number of old grape vines is driving forward this quality revolution. We've selected six wines that, for us, represent this - and we're sure that you'll find plenty to love.
