Jordan 'The Prospector' Syrah, Stellenbosch

£16.75

Vintage:	2016
Bottle Size:	75cl
Alcohol %:	13.50%
Country:	South Africa
Description:	Dense, rich, black-fruited flavours, white pepper and spice laced with dark chocolate and fynbos. Barrel maturation adds toasty nuances to the richly textured structure. Harvested from a single west-facing vineyard overlooking Cape Town and Table Mountain. Vertical hedge trellising and low yields ensure a complex concentration of flavours. Fermentation between 26-28°C and gentle pressing retains the intensity of the spicy fruit flavours. Malolactic fermentation was completed in French and American oak barrels where the wine was matured for a total of 16 months.

Other Info:	Gary and Kathy Jordan have been making world-class wines at this top wine estate since 1993 on a farm with a history going back over 300 years. Together this husband and wife team is a phenomenon. Gary's

parents, Ted and Sheelagh, bought the 164 hectare Stellenbosch property in 1982, and embarked on an extensive replanting programme, specialising in classic varieties suited to the different soils and slopes. The Jordan slopes face North, South, East and West, with vineyards lying at differing altitudes from 160 to 410 meters above sea level. The vineyards benefit from their close proximity to both the Indian and Atlantic Oceans and enjoy a mild, Mediterranean climate with a maritime influence.
