Other Info:

Vinified from fruit grown in La Tour Melas' stunning Achinos vineyard, the Cyrus One is the fabulous value second wine of the estate.

Whereas the La Tour Melas is a pure Pomerol-inspired blend of Cabernet Franc and Merlot, the Cyrus One sees the addition of around 20% Agiorgitiko, giving an extra layer of luscious fruit on the nose, with notes of blueberries and raspberries intermingling with leather and toasty oak-spice character.
