Other Info:

Quinta do Noval is situated in the very heart of the Douro valley, in the Cima Corgo, just two kilometres from the small town of Pinhão. As you approach the entrance to the quinta from Pinhão, you will see the famous broad terraces of Quinta do Noval on the right. The Quinta, which is principally situated in the valley of the small Pinhao river, a tributary of the Douro, has approximately 145 hectares of vines, ranging in altitude from 100 metres, at the level of the Pinhao river, to 350 metres at the summit of the valley.
