Other Info:	<p>Paper Road was planted in 2004 and is a Wairarapa specialist producer of Pinot Noir. All fruit is sourced from a Single Vineyard beneath the Tararua Ranges and fully reflects the soils and climate here. From growing the grapes, winemaking, ageing, and bottling the wines - Paper Road wines are completely created at this location. The vineyard was named 'Paper Road' after the many rural roads in NZ that were planned but never built and only exist on maps 'Paper' - the</p>

vineyard is on such a road.
