Other Info:

Poterion is the world's first Fairtrade Communion Wine that has been created together with one of South Africa's leading Fairtrade wine estates, Stellar. The wine is made in two styles: a deep Red made from the noble Cabernet Sauvignon grape, and a golden Amber made from Muscat grapes, all of which are grown in Stellar's vineyards in the Olifants River region of the Western Cape. Both are lightly fortified to 15% alcohol to give the wine longevity and have enhanced natural grape sugars to give them a balancing sweetness similar to a port. Both are also organic and vegetarian.
