Organic/Bio Status:

Food / cocktail match: A great wine to drink with a luxurious brunch! A dish of Eggs Royale, for example, would go beautifully for a real treat.

Food / cocktail recipe:

Press

"Good complexity with a persistent finish" and "attractive, biscuity... a zesty and refreshing style", enthused the judges of this great value sparkling wine. Estate grown Chardonnay (60%) and Pinot Noir are complemented by oak-aged reserve wines in each year's blend. Fermentation takes place in high-grade stainless steel tanks and there's zero to minimal malolactic to ensure precision and freshness. Aged for a minimum of two years on lees.' - The Wine Merchant

'Near Mendocino, 125 miles north of San Francisco, the champagne house Roederer produces sparkling wine. A blend of chardonnay and pinot noir, this fruity, crisp fizz is a fine way to start your Thanksgiving feast.' - Will Lyons, The Times

Awards

Other Info:

The Louis Roederer Wine Estate located in the Anderson Valley, Mendocino in California the Roederer Estate was founded by Jean-Claude Rouzaud, then president of Champagne Louis Roederer and fifth generation descendant of the founder. In 1981 the 580-acre Anderson Valley vineyard and winery site was acquired in order to preserve the family tradition of family owned estates. There are four distinct vineyards on the estate - hence the name Quartet - from which all the grapes are sourced. The grapes used are the same as used in Champagne - Chardonnay and Pinot Noir.

Among the Estate's land are vineyards farmed organically and biodynamically.
