Ragnarok Gin

£34.95

Vintage:

Bottle Size: 70cl

Alcohol %: 44%

Country: Sweden

Description:

Our handcrafted gin is small batch distilled in a copper pot still using a base spirit made from Swedish winter barley, harvested from the fields surrounding the distillery in Northern Sweden.

The aim is to produce a gin that encapsulates the Swedish wilderness, the inspiration of Ragnarök gin. To achieve this they use 8 botanical's, the prominent four being juniper berries, fresh lingonberries, caraway seeds and dill leaves. In the background, but no less important, we have four further botanical's that enhance these botanical's to produce an elegantly balanced gin.

The distillate is blended with fresh mountain spring water to bring it down to 88 proof (44%Alc/Vol.) A strength that we believe holds the botanical's in perfect balance. Each Bottle of Ragnarök is individually filled, sealed and numbered by hand.
