Food / cocktail recipe:	
Press	
Awards	Wine Merchant Top 100 winner
Other Info:	Langhorne Creek is often overlooked in favour of the more glitzy McLaren Vale and Barossa, but it is a region with over 160 years history and some remarkable old vineyards. Situated on a flood plain close to the impressive Lake Alexandrina, dry grown old Grenache vines produce tight bunches of well balanced, succulent fruit. Shiraz on a higher trellis system helps fruit health and balance.
