Other Info: The "Can Petit i les Planes de Vilarnau" estate occupies 20 hectares in a beautiful corner in the heart of cava country, with magnificent views of the Montserrat mountains, which protect the vines from the cold Pyrenean winds. The vineyards are bordered to the south by the Serralada Litoral (the Coastal Range) whilst to the east the vines are open to the Mediterranean sea just 30 kilometres away. At 250 metres above sea level this beautiful site is excellent for growing vines. The winery itself is ultra modern and features a robot that stacks cases in the

cellar!
