Food / cocktail match: A delicious wine to drink with a variety of light dishes. Try a poached salmon salad in the summer - heaven!

Food / cocktail recipe:

Press From a warm, sunny part of Germany, just an hour's drive north of Alsace, comes this relatively restrained Riesling offering classic stony and steely notes. Expressive ripe peach balanced by pristine acidity. It's only starting to show some waxy, petrol notes, and no doubt it will continue to develop.
