Other Info:	This wine is composed of 60% Chenin Blanc, 15% Grenache Blanc, 15% Viognier, and 10% Chardonnay.

It is named for the Babiana flower, which is found only on the Paardeberg Mountain. It has delicate yellow petals, and releases its scent in the evenings to attract bees for pollination.

Vondeling is a member of the Biodiversity and Wine Initiative, as well as

the Paarderberg Sustainability Initiative.
