

## WSET Award in Sake Level One - online course

£135.00

**Vintage:**

**Bottle Size:**

**Alcohol %:** %

**Country:**

**Description:**

A beginner level introduction to sake for those starting a career in the industry or pursuing an interest in sake. This online course will guide you through the world's key sake categories and production methods. The course is designed to introduce sake in an interactive, structured and concise manner. You will learn how to taste sake using a systematic approach.

The course will be based around a 4-week, 7 module online learning programme with educator support available for this time. The course modules should be followed in order, but you are free to complete the modules at your own pace during this 4-week window. The course material should take about 6 hours in total to complete, plus revision time
