Description:

A beginner level introduction to wine suitable for those starting a wine career or pursuing an interest in wine. You will learn how to taste wine using a systematic approach and be able to identify the main styles of wine. You'll also learn to apply these to your own food and wine choices. The course will be based around a 4-week, 7 module online learning programme with WSET educator support available for this time. The course modules should be followed in order, but you are free to complete the modules at your own pace during this 4-week window. The course material should take about 6 hours in total to complete, plus revision time.
